Sir,

Sub:- Land Acquisition - (South Kanara) Udipi Taluk -
Bommarabettu and Perdoor villages - S.No. 18/1 & 2
(parts) and S.Nos. 191/1 : 2 : 3 : & 4 (parts)
respectively - Formation of a road - connecting
the bridge - proposed to be constructed across
the Puttige - ~~river~~ - river - withdrawal -
notification - under Sec. 48 (1) in respect of
the lands of Bommarabettu village - and D.D -
in respect of lands of Perdoor village - proposals.

Ref:- G.O.Rt.No.1 - P.W.D.dated 2-1-1952

In the G.O. cited, draft notification under Sec. 4(i)
of the L.A. Act, in respect of S.Nos. 18/1 & 2 (parts) of
Bommarabettu village, and S.Nos. 191/1 : 191/2 : 3 : & 4
(portions) of Perdoor village, of Udipi Taluk has approved
and published at page- 86 of Part I - of the Fort. St. George
Gazette dated 22-1-1952.

2. In response to the notices issued under Sec. 5A of the
Land Acquisition Act, on the interested persons, to file their
objections if any for the proposed acquisition, the registered
holder of S.Nos. 18/1 & 2 of Bommarabettu village, has objected
to the acquisition of S.No. 18/2 stating that it is a low lying
field and is used as a seed bed and that its acquisition may be
given up, acquiring a corresponding extent from S.No. 18/1
itself to make up the required width for the road.

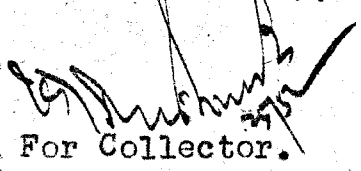

3. The objection petition was referred to the Divisional
Engineer (H) South Kanara, who after inspection of the plot
reports that he has no objection to giving up the portion in
S.No. 18/2 and taking up a larger portion from S.No. 18/1 as
per the actual requirements. Since the Divisional Engineer
has decided to give up the extent in S.No. 18/2 and take up some
more extent in S.No. 18/1, there will be change in the size
and shape of the lands already notified under Sec. 4(1) of the
L.A. Act. The L.A. Proceedings cannot therefore be pushed
through without the two plots. S.Nos. 18/1&2 of Bommarabettu
village being withdrawn from acquisition under sec. 48(1) of
the L.A. Act and without a fresh notification under Sec. 4(1)
of the Act in respect of S.No. 18/1 published. The revised
proposals in respect of S.No. 18/1 will be notified separately and
dealt with as a fresh case.

4/- The draft withdrawal notification, under Sec.48(1) of the Land Acquisition Act, submitted herewith in duplicate in respect of S.Nos.18/1 & 2 of Bommarabettu village may be approved and got published in the Fort.St.George,Gazette.

5/- No objections have been received in response to the notice issued under sec. 5A of the L.A. Act in respect of S.Nos. 191/1:2:3 & 4 of Perdoor village. As already stated, the draft 4(1) notification in respect of these plots was published at P.86 of Part I. of the Fort.St. George Gazette dated 22-1-1952. Some of the plots contain houses and some are garden lands. The ~~Previous~~ provisions of Sec. 17 of the Land Acquisition Act cannot therefore be applied in these cases. The cost of acquisition is estimated at Rs.8707-0-0. A draft declaration under Sec. 6 of the L.A act in duplicate is submitted herewith which may be approved and got published in the Fort. St.George Gazette.

6. The objection petition dated 24-2-1952 of the registered holder of S.Nos. 18/1 & 2 of Perdoor villages, the served copies of the notices under Sec. 5A of the L.A Act, the postal acknowledgment, addressed to the President H.R.E. Board, Madras and a topo-sketch of the plots in question are enclosed for perusal and return.

In this office R.Dis.14988/51 dated 22.7.52 draft
withdrawal notification under section 48(1) of the Land
Acquisition Act and also draft declaration under section 6 of the
said act were submitted in respect of certain plots of Bommarabettu
and Perdoor villages, respectively. With reference to para
3 of my report submitted in R.Dis.14958/51 dated 22.7.52 the Board
of Revenue in its reference cited, invited my attention to para
1 Chapter V of the Land Acquisition Manual and I was requested
to state whether a new 4(1) notification is necessary in this
case in the light of those instructions. If not, I was asked
to submit a revised draft declaration incorporating the
correct extent required under the new alignment.

X
2. Further enquiry held in the matter shows that
by the acquisition of a large extent in S.Nos.18/1 of
Bommarabettu village, the boundaries and the names of registered
owners are not changed and hence, I find that there is
no necessity now to deal with S.No.18/1 and 2(parts) under
a separate 4(1) notification. The withdrawal notification
under section 48(1) already submitted in respect of these
two plots may therefore be cancelled.

3. On account of the variation in extent the cost of
acquisition has been revised which now works out to Rs.9733-14-3
A statement showing the reconciliation of the measurements shown
in the 4(1) notification and the D.D.now submitted is also
enclosed.

The revised D.D.submitted herewith in duplicate may
kindly be approved and got published in the Fort St.George
Gazette.

The records of 5A enquiry have already been submitted
in my R.Dis.14958/51 dated 22.7.52
